150 EAST

OCTOBER 2016

Marulan | Tallong | Bungonia | Towrang

Some highlights from this issue:

After the latest goss and info from our friends at the Marulan CWA and Chamber of Commerce? Head on over to the local news pages.

Catch up on local and regional news, views and "so true's" in our regular Local News and Regional News sections.

The Travelling Gourmet: Take a culinary trip with our incognito local gourmand as she (or he) searches for the ultimate regional hamburger.

Who, what, where and when: Keep up to date with the latest events, news and "to do's" with our town's and region's Calendar of Events.

Discover Marulan is an initiative of the Marulan Region Chamber of Commerce Inc. It is a free service provided to members of our regional community to help discover news, events and items of interest. It is published every month.

You can contact the Editor of Discover Marulan via email at editor@discovermarulan.com.au. You can also keep up to date with news and events between issues by visiting our website at www.discovermarulan.com.au

Disclaimer: Information provided in this publication is of a general nature only. Information is often provided to us by third parties and hence no representation is made as to its accuracy or timeliness. All liability is waived. Please note that dates and particulars of events can change between publication dates and this is out of our control. Various items in the publication are paid advertisements. Contents do not necessarily represent the views of the Marulan Region Chamber of Commerce Inc, its Executive or its members.

LAND MANAGEMENT STRATEGY

The Chamber hosted two Council Officers from Goulburn Mulwaree Council at the last Chamber meeting; Emma Jane Leckie, Strategic Planning Manager, and Debbi Rodden, Economic Development Officer.

Both Emma Jane and Debbi had made themselves available that afternoon before the meeting to residents who wished to raise questions on THE LAND MANAGEMENT STRATEGY.

The Chamber, after the presentation, resolved it would put a submission to Council on the strategy.

One of the most important parts of the plan was that a southern exit from Marulan to the south Marulan overpass would be investigated.

The Chamber fully supports this recommendation and its potential to stop double trips through the town to access the highway by both heavy and local traffic.

CONTINUATION OF MEDICAL PRACTICE

The Chamber is happy to see that our local doctor will be staying in Marulan for a further 2 to 3 years.

An successful agreement has been reached by the medical practice with the Goulburn Mulwaree Council and the Brewer Centre. A local doctor in a small town is a service that a large number of other small towns in NSW don't enjoy & the Chamber sees this as a vital service for our area.

THE MARULAN KITE FESTIVAL

Kite Festival is now only a little over a month away and the DINNER DANCE, which only has a limited number of tickets available due to the size of the Hall, is filling fast.

The **DINNER DANCE is for EVERYONE** and is this year's major fundraiser for Kite Festival so we can continue to upgrade our Memorial Hall and hopefully this year we can also begin to also upgrade the facilities in our Park such as replacing the old picnic tables with new ones which have shade canopies.

Kite Festival is SUNDAY 30th OCTOBER in Tony Onions Park between 9am and 3pm.

And why not enter one of the competitions/exhibitions, Kite Festival is running this year: The Art Show, The Photography & Visual Art show, The Children's Pet Show and the CWA Bake Off.

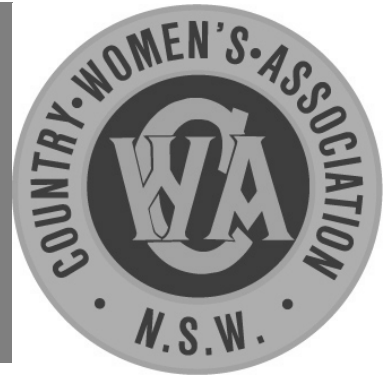

Entry Forms are currently available at the Marulan General Store for each of the Competitions/Exhibitions and in the first week of October a 14 page program will be going out to all households and PO boxes which will also have the Entry Forms too and details of what's on and when.

It promises to be a great day out for both local residents and families and visitors alike.

David Humphreys, President

Compiled & edited by Chamber Publicity Officer, J. Wall monthly. Copyright© Marulan Region Chamber of Commerce, Inc. The information contained in this Bulletin is general in nature and is not to be regarded as expressing the official opinion of the Chamber

Country Women's Association Marulan

The month of August and September have been fascinating for the CWA. We hosted a successful International Day at Tallong Hall, the event was interesting and fun, despite the bad weather. We enjoyed great catering and an interesting Mongolian movie to watch!

We are taking a part in the Marulan Kite Festival Day and are looking forward to it with great anticipation and of course our famous CWA scones will be available for all those that attend!

The 11th of October will be a big celebration day for all members. The Southern Highlands Branch of the CWA are having their 90th birthday. We are excited about it and it looks like October shall be very busy month.

We are happy that the CWA of Marulan is able to help those who need it most. With this in mind, we have made a donation to the victims of the floods within NSW and Victoria.

Our next meeting will be held on Wednesday 19th of October and it will be our Annual General Meeting. The AGM will begin at 11am with all positions of the Marulan CWA Branch being vacated and elections to fill those positions will be carried out.

The AGM will be followed by lunch at midday and our regular meeting beginning at 1 pm.

If you would like to become a part of a friendly and community minded group of women, please come and join us.

Meanwhile, should you have a function coming up and would you like some help with catering, we would be happy to provide for your function with finger food, cakes, and drinks. You can contact Sue Montgomery via phone on 0248410288.

Also feel free to visit our website cwamarulan.org or our page on Facebook @cwamarulan.

Marulan News

Marulan & District Historical Society

On Sunday 9th October the MDHS is running a bus trip from Marulan to Goulburn, Crookwell and Taralga, stopping and visiting historical inns and sites on the way.

The bus will leave Marulan at 9 am after morning tea, travel down the highway to Goulburn, then onto Crookwell for a two-course lunch and then onto Taralga, returning back to Marulan.

The cost is \$55 per person and bookings are essential. Please phone Sue on 4841 0288 for further information.

Maureen has also decided that we need to “do” Carrick as all the other villages in the district have had their history recorded in book form.

Carrick School was opened as a provisional school in 1873 and was closed in 1907. Carrick railway station was originally called Towrang when it opened in 1869 but the name was transferred to Mannerfield and the Scottish name Carrick was then chosen.

With the opening of double railway lines in 1914 Carrick station was moved to its former site and two platforms built.

It is thought that the station, signs etc were demolished c.1970's but those living in the area may recall the exact date - or know where to “google” to find out!

When we lived at Towrang the only names I recall in regard to Carrick are Quinn and Browne and of course the rail crossing led to “Lockyersleigh” homestead.

If you or someone you know have any information regarding the school, station or area you are asked to please contact Maureen Eddy on 4841 1515.

The next meeting of the Marulan & District Historical Society will be held at the Uniting Church Hall on Thursday 13th October, commencing at 1 pm. MDHS meets every second Thursday of each month.

The Society is still meeting each Monday morning at 10 am to catalogue and organize all their artifacts. Everyone is welcome – very informal and then we all enjoy a “cuppa”.

For any further information, please contact Sue Montgomery on 4841 0288.

Marulan Public School Parents & Citizens Association

The next meeting of the MPS P&C will be held at the Charisma Chinese Restaurant on Tuesday October 11th at 5.30pm.

Everyone is most welcome.

Dinner Dance

A Dinner Dance will be held on Saturday, October 29 at the Marulan Memorial Hall. Proceeds will go to the Marulan Kite Festival, which is refurbishing the hall and improving Tony Onions Park.

A gourmet dinner, great dance band, novelty auction and more: bookings, call 0408 421 100.

Marulan News

Marulan Lions Club

The Marulan and District Lions Club Inc. once again have worked tirelessly collecting for Daffodil Day at various locations around Marulan. The club would like to thank: BP North, BP South, Truckstop 31, Marulan Post Office and Lorene & Trevor Jones, Maureen Cameron, Sue Glover, Alasdair McRea, Ray Dole, Alison Sieler, Freda & Walter Darda, Kelly Brown, Tom Hallstone, Debra Winner and Kirk Hartup.

The winners of the Cancer Council Teddy Bears are:

Rubi Butcher (K08)
Rod Veigal (K25)
Carol Walker (K51)

The President would like to thank everyone for their hard work and their generosity.

This is one of many projects the Lions Club of Marulan & District is involved in, so if you can spare a couple of hours each fortnight we would love to hear from you. For more information contact Marlene on 0408 213199 or email marulanlions@hotmail.com or write to the Lions Club of Marulan & District at PO Box 69, Marulan 2579.

Vale, Carol Knudsen

Most people in the area knew who you were talking about when you said 'little Carol', as Carol Knudsen was small in stature and an unassuming person who loved family and friends.

We reminisced about when she, Marie Pender and I did an extended tour of Europe. Capri was her favourite place (I concurred). We joked about how, in Lucerne, Marie and I had 'squibbed' going up the mountain, but three young Germans took her under their wing and she had a wonderful time.

Carol is survived by her four children, Ann, Stephen, Douglas and Dianne and their families. She was proud of them all. They and we will miss her very much.

Vale, Juliana Pellzman

I first met Joseph and Juliana Pellzman when Lorna Parr was compiling the Marulan Harmony Book. She made us welcome to their home and said things had been hard in Salzburg post WWII. The migrated to Australia as they had two small boys, Joseph and Godfrey and wanted a better life for them.

Juliana enjoyed life in the country and both worked hard to make their Marulan farm a quiet peaceful home. They also enjoyed the company of others at events such as Harmony Day and the Lions Christmas party.

Joseph died some time ago and with the passing of Juliana, we send out sympathies to their families, as it was a pleasure to have known them both.

Article compiled by Alison Sieler

Marulan News

Marulan Public School

Congratulations to Troy Martin who was fourth in the Seniors Boys Discus at the Regional Athletics Carnival. This is an outstanding achievement.

Congratulations Troy!

Members of the school's P&C would like to thank everyone who supported the election Day BBQ especially Col Glacken for giving up his day to cook and to Truckstop 31 for their generous donation.

Are your children interested in swimming or playing cricket?

If so they can contact the Goulburn Amateur Swimming Club on www.nswswimming.com.au or if they enjoy cricket Danny Yeadon 48221529 for more information.

St Patrick's Mass Service

Mass will not be held at St Patrick's Church, Marulan on Sunday 9th October. However, Mass will be held at St Michael's Church, Bungonia at 12 noon, Sunday 9th October.

Everyone is most welcome to attend.

Marulan Public School Playgroup

Every Friday morning there is a free community playgroup at Marulan Public School for local families.

The families of pre-school aged children are welcome to join this supported playgroup. It gives the children and their parents a chance to make new friends in a relaxing, informal environment.

Playgroup runs every Friday morning during term from 9.30 am to 11.00 am.

For further information please contact the school on 4841 1573.

Marulan District Preschool

MDP was officially opened by Robert Webster MP in October 1986. It was his first official duty after becoming a member of parliament.

The first Committee was Liz Scaife, President; Dianne Fitzgerald, Secretary and Sally Cooper, Treasurer.

The young parents throughout the years had worked extremely hard to make the school attractive and an educational and fun place for our young citizens.

In 2002 the Preschool entered a competition run by Tip Top Sunblest Bread where they had to collect tokens from each loaf of bread – not only did they collect 1782 tokens but won \$10,000 which was spent on equipment.

The building, which has changed little over the years, was paid for by residents who purchased non interest bearing debentures in order to build a doctor's residence, surgery and waiting room. With the help of Southern Portland Cement Co. this project was completed in 1953.

The school is presently owned by Goulburn Mulwaree Shire Council and leased to Anglicare.

Murray's Flat Book Launch

Author, Edith Medway who presently lives at Crookwell is a very talented author and historian. Maureen Eddy launched Edith's latest book on Murray's Flats in late September at the CWA Rooms in Goulburn.

Looking forward to reading Murry's Flats.

Article compiled by Alison Sieler

Bungonia Buzz

Bungonia Market Day will be held on Saturday, 1st October.

This year, in addition to stalls, we are offering a "car boot sale" for anyone with small items they want to sell. The cost is \$10 for the car boot sellers.

As usual we will also have stalls inside and outside the Hall. This year there is no booking a position. It's first in get the spot. The cost is \$20 per stall. Last Market Day we had an increase from \$10 which had been the price since the switch to decimal currency in 1966. A stall consists of one table.

For those inside the Hall they can use one of our tables but these are limited. If you need more than one table the cost multiples. Outside stall holders usually bring their own gear. We don't accept outside food vendors as the Progress Association caters for the event and this is one of our major fund raisers.

We are hoping for good weather and a big attendance again. We are getting more and more stall holders selling fresh farm produce of various types and if you have something surplus please consider coming along and converting your surplus to cash.....eggs, veg and fruit, wine, meat, home cooked biscuits and cakes, etc.

If you have a local business, this would also be a great time and opportunity to advertise your service to the Community that surrounds you.

Set up can start from Friday afternoon. Any queries please ring Bill on 0408 404 505 or Cal on 4844 7273.

Claim the date...Saturday 15th October 2016, Wine and Cheese Night.

MARULAN VOLUNTEERS

Who are we? We are a group of local residents trying to improve the appearance of our town.

Why do we do this? If our town looks appealing and cared for, this will attract visitors who will support our local businesses. It also makes it a better environment for us to live in as locals.

What do we do? Local council mows the town's parks and some of its nature strips, but doesn't have the resources to do much more than this. The volunteers supplement the work of council by regularly cutting the edges and whipper snipping the main street and parks. We also weed the gardens in the parks, and collect litter in areas around town. Other less frequent and one-off activities have included: refurbishing the grounds at the Brewer Centre; mulching the gardens in Meridian Park; repairing and painting roadside fences in the main street; and repairing and painting the fence & rotunda in Tony Onions Park.

How often do we do it? Generally speaking, the volunteers work for 2-3 hours on the first and third Monday (starting approximately 9.30am) of each month.

How can you help? If you have spare time and are available on Mondays, then we'd love you to join us. If this time isn't suitable but you'd like to help, then please contact: David Blissett: 0400 119 016; Ellie Eggerking 0406 376 717; John Redhead: 0439 411 922.

Volunteers receive a free cup of coffee on "Volunteer Mondays" at The Marulan General Store ([facebook.com/marulangeneralstore](https://www.facebook.com/marulangeneralstore)).

Tallong Twitterings

A Historical Disaster Tale

This month in Tallong's history shows how events on one side of the world can have far reaching effects on the other. In 1859, Robert Pitt Jenkins was the owner of *Bumballa* and *Bosworth*, properties which extended from what is now Wingello State Forest to the Shoalhaven escarpment, about 6,500 acres in all. In late August 1859, Robert, his wife Mary and their four sons sailed for England on the steam clipper *Royal Charter*, intending to visit their daughter, Alice, who was being educated in Paris.

The *Royal Charter* was nearing Liverpool when she sailed into what is considered the most severe storm in the Irish Sea during the 19th century. On the night of 25 October 1859, the winds rose to Force 12 on the Beaufort scale and the *Royal Charter* was driven onto rocks on the north coast of Anglesey. Battered by huge waves she soon broke up. Over 450 people died, including all Jenkins family members on board. Alice, now orphaned, inherited her father's estate and returned to Australia to be cared for by relatives.

In the late 1860s, Alice married Hubert de Castella, from the French speaking part of Switzerland. The couple settled in Victoria where her fortune was spent on establishing a vineyard, a massive house and large scale entertaining. The Tallong properties were sold in 1871, ending the involvement of one of the earliest families in the district. Interestingly, Robert de Castella is their great grandson.

P&C Sausage Sizzle And Cake Stall

The recent Council elections provided a reason for Tallongites to gather for friendly chats, have a bite to eat at the P&C Sausage Sizzle and Cake Stall. The Tallong Public School P&C thanks the community for their support, by donations of baked items and sales from the stall, a profit of \$961 being made on the day.

Rural Fire Brigade News

Tallong Rural Fire Brigade consists of volunteers of all ages and backgrounds and are always ready to respond to fires and MVAs (motor vehicle accidents) when called out. Brigade members meet at the Fire Shed every Tuesday at 7.30pm. All are welcome to come along and see what happens at the local RFB.

The fire season is coming up and once daylight saving starts Brigade members will start polishing their skills in earnest, as well as training new volunteers. Extra funds are always needed to keep the bills paid and to keep up to date with the latest technology, so the local Brigade also raises funds by offering catering services as well as taking part in community events like Tallong Apple Day and the annual Tallong Christmas Party. Volunteers to help with these fund-raising events are always appreciated.

Tallong RFB office bearers for 2016 are:

Captain – Kevin Roberts
President – Robert Harmond
Vice President – Lee-Anne Dalton
Training Co-Ordinator - Paul D'Alcorn
Secretary - Alan Weston

Tallong Fire Shed, Memorial Drive, Tallong with Tallong 1 Bravo out the front.

Tallong Public School P&C Cake Stall left to right: Ron Grainger, Troy Brown, Athena Smith, Wendie Kairl, Chrissy Wursten, Sandra Grainger.

SCHOOL HOLIDAY FUN

With the Spring School Holidays around the corner, why not have some fun at the local Goulburn Mulwaree Library and Goulburn Regional Art Gallery?

- Dr Graham Walker's Science Show – 28/9/16
- Flying Rockets – 4/10/16
- A Pets Story Party – 6/10/16
- Superheroes & Ruthless Villains – 28/9/16
- Discover Cubism – 5/10/16
- Spring Robots – 7/10/16

Booking for all workshop and activities are essential. For Goulburn Mulwaree Library events please book via the front desk or call 4823 4435 – payments must be made at the time of booking. To book for Art Gallery activities please call 4823 4494 or drop into the Gallery – again, payments must be made at time of booking.

Spring gardens in cool areas reach their peak this month. As the weather begins to warm up and plants need more water, it is a good time to assess how you are watering your garden.

It is better to water early morning or early evening. Incorporate plants with low water needs such as agapanthus, clivias (good in shady spots under trees), succulents (stylish for small gardens and pots) and also gazanias. Use these plants to replace those that struggle in drier times.

For established fruit trees, fertilise the soil to around the line of outer foliage and then water well. Apply foliar fertiliser to leafy vegetables to keep them growing well. Also apply to summer blooming shrubs.

Keep a look out for garden pests. Aphids will attack the new growth on roses. They can be squashed then hosed off with a jet of water. Or use soapy water to get rid of them.

A thick, layer of mulch will help keep the other pest from the garden, weeds. Mulch also helps to prevent plants drying out. Keep it away from the trunk or main stem of the tree or plant.

Mid to late October is about the right time to get your vegie garden started. Potatoes can be put in ready for eating at Christmas. You need to guard against frosts if planting tomatoes. Be prepared to cover at night if it could be frosty. Plant in pots or foam boxes, if space is an issue.

Another busy month! Happy gardening!

We're all familiar with sweet muffins and cupcakes, but have you ever made your own savoury muffins? Here's an easy but tasty one to get you started. It makes the perfect morning or arvo tea when you're not after something sweet.

Cheesy Zucchini Muffins

Ingredients

1 large zucchini
¼ cup breadcrumbs (seasoned with salt & pepper)
¼ cup Parmesan cheese
¼ cup shredded cheddar cheese
1 egg
Salt and peppert to taste

Method

1. Preheat oven to 220 degrees C.
2. Grease a muffin tray.
3. Grate the zucchini and wrap in cheesecloth. Squeeze out excess water from the zucchini.
4. In a medium bowl, mix the grated zucchini, egg, bread crumbs, Parmesan cheese, cheddar cheese, and salt and pepper.
5. Using a spoon, scoop the mixture into a greased muffin tray. The mixture will make around six large zucchini muffins.
6. Bake for 15-20 minutes at 220 degrees C until tops start to crisp.

Enjoy!

Regional News

Launching the Big READ Bus

The date is set for the official launch of the Big READ Bus; come down to Belmore Park, Goulburn at 2 pm on Saturday 8th October to discover Goulburn Mulwaree's new mobile library. Goulburn Mulwaree Council will be officially opening the doors of the Mobile Library as part of an exciting afternoon that will include snakes and ladders, sausage sizzle, cupcakes and coffee.

Following the launch the mobile library will transform into a children's outdoor reading and library area with chairs and tables for families to sit and read before the Pictures and Popcorn in the park movie begins.

The Big READ Bus is eco-friendly, and is equipped with rooftop solar panels which will provide clean energy for on-board equipment. The mobile library will be fitted out with wireless internet, computers and devices such as iPads, Samsung Galaxy and Kobo, as well as holding up to 3000 library books and other items for loan.

From Monday 10th October the Big READ Bus will be visiting rural areas, schools, nursing homes and retirement villages to provide library services to members of the community who can't easily access the Library in Bourke Street.

Library members will be able to use the bus to borrow a wide variety of books, movies and music. Our on-board librarian will also be available to answer questions, reserve library items and teach people how to use their devices to loan e-books and access a range of other online resources; all free of charge.

The aim of providing a mobile library is to create greater access for resources, and to build a safe and welcoming environment for the community to share ideas, learn and play. The library, by bringing people together, hopes to provide a unique and exciting space that will foster the growth of stronger and more connected communities.

The purchase and fit out of the Big READ Bus has been made possible through funding from the State Library of NSW's State Government Public Library Infrastructure Grant, administered by the Library Council of NSW.

Further information can be obtained by visiting www.goulburn.nsw.gov.au or by phoning 4823 4444.

Goulburn Mulwaree Council

Community Outreach Meetings - 2006

Goulburn Mulwaree Council is hosting outreach meetings in Marulan on the 25th of October and in Tallong on the 22nd November. The Community Outreach meetings provide an opportunity for community members to meet and discuss Council related issues directly with Goulburn Mulwaree Councillors and senior staff.

The meetings will commence at 6:30 pm at the Marulan Hall and the Tallong Memorial Hall.

Reinvigorating Goulburn's Aquatic Centre

As part of the exciting reinvigoration of the Goulburn Aquatic & Leisure Centre, Goulburn Mulwaree Council will be resuming the direct management and maintenance responsibilities at the Goulburn Aquatic & Leisure Centre from the 1st of October.

Goulburn 1916: On the Western Front

2016 marks the 100th anniversary of Australia's involvement in battles on the Western Front, fought during World War One in France and Belgium. To commemorate the anniversary, the Rocky Hill War Memorial Museum is presenting Goulburn 1916: On the Western Front.

The exhibition was opened on Saturday 24 September by Mrs Olga Cogen, First Embassy Secretary and Mr Pierre Defourny, Special Advisory (ANZAC related events) from the Embassy of Belgium in Canberra.

Steamliners: 1-3 October

More than two dozen locomotives in a ton of colour schemes that are owned by numerous operators will be on display at Goulburn, NSW. It will be your chance to ride open window carriages as you take in the sounds of first generation diesels or ride the Southern Aurora through the night.

BBQ's, fog and laser light shows along with a fireworks display are some just some of the activities planned for this three-day extravaganza. This is an international event not to be missed by rail fans from around the world. *Visit the Goulburn Rail Heritage Centre from 8am-10pm over the weekend.*

Further information can be obtained by visiting www.goulburn.nsw.gov.au or by phoning 4823 4444.

NSW Health (South) Decisions

People would be aware of NSW Health [South's] decisions regarding Goulburn's Base Hospital. However there have been decisions made by the same body that will affect Marulan. NSW Health has withdrawn some services provided at the Brewer Centre. Podiatry and pain management services are no longer available.

Seniors' Activity Day will continue as this is a service provided by Council under its Community Support Program. With the exit of the other two services, it means the Brewer Centre is underutilised. This is an opportunity for allied services to support our local Doctor. Physiotherapy and Chiropractor services would be ideal. Service providers are encouraged to contact Council to fill this need.

Regional News

Goulburn Mulwaree Council

Rural Management Challenge Success

Four Goulburn Mulwaree Council employees recently took on the Rural Management Challenge in Kiama. The team had to undertake a wide variety of challenges and tasks over the two days that tested their knowledge of local government and associated policies and procedures.

Spring Clean

The annual spring clean-up has been declared a great success, with Goulburn Mulwaree Council's Waste & Collection team picking up over 207 tonnes of waste over the week. Waste & Collection staff put in a significant effort over the week, with normal collections still taking place alongside the spring clean-up.

Community Hub "Workspace 2580" approved for 56 Clinton Street, Goulburn

Council gave the green light to the use of the council owned building at 56 Clinton Street for a Community Hub & workspace - 'Workspace2580.' The proposal for Workspace2580 will create a smart hub that will provide computer equipment, podcasting and video resources, high speed internet and an innovative open-plan workspace.

Council Elections Complete

Councillor elections have now been completed and announced; all Councillors from last term who stood again were re-elected, along with two new additions. Congratulations to all the candidates who put in the effort to stand. The Council for the next four years is Bob Kirk, Carol James, Sam Rowland, Margaret O'Neill, Alfie Walker, Peter Walker, Leah Ferrara, Andrew Banfield and Denzil Sturgiss.

Garage Sale Trail

Now in its sixth year, Garage Sale Trail is a national initiative that sees hundreds of thousands of people participating in one big day of garage sales. Last year's event saw almost three million pre-loved items up for sale at over 13,000 garage sales across the country.

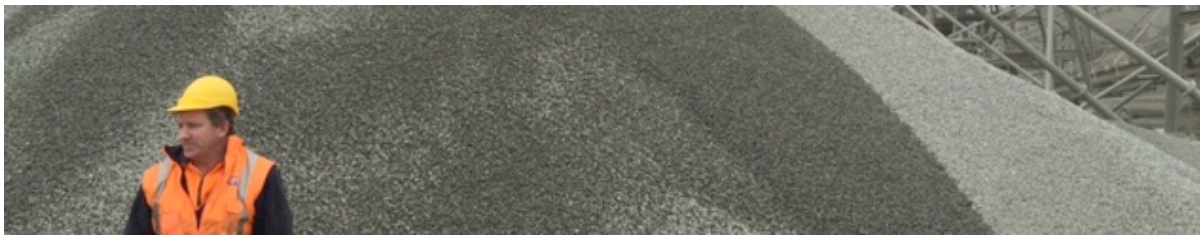

Have you registered yet for the Garage Sale Trail 2016? It's being held on the 22nd of October and we are expecting a record number of garage sales across Goulburn Mulwaree. Register now at www.gesaletrail.com.au and put Saturday 22nd October in your diary!

Steampunk & Victoriana Fair

It's a chance to travel through time as it never was before. From 10 am-5 pm on Saturday 15th October, the Goulburn Historic Waterworks will host its third annual Steampunk and Victoriana Fair – this year with special guest Tara Moss! Entry is \$5 for adults, with children free. Highlights throughout the day will be the Tara Moss judged fashion parade, Clydesdale Horse and Carriage rides, stalls with handmade jewellery, food and more!

Further information can be obtained by visiting www.goulburn.nsw.gov.au or by phoning 4823 4444.

*the above news update was provided by Goulburn Mulwaree Council.

Gunlake Quarry News

Gunlake is a hard rock quarry on Brayton Road which services Sydney and the Southern Highlands. The quarry is an Australian owned, independent company that draws on three generations of experience, supplying bulk premium quality aggregates for concrete, construction and road base. It has been operating in Marulan since 2008 and employs 27 residents.

Quarry Extension

Gunlake applied to the Department of Environment and Planning (DPE) to extend its operation. As part of this process Gunlake submitted an Environmental Impact Statement which was then put on public exhibition.

As a result of community feedback and in response to questions from the Department, Gunlake appointed specialist consultants to undertake further assessments.

A Community Liaison Team to support ongoing communication and collaboration between the residents and the quarry has also been appointed. They have been busy meeting local residents to gather further feedback regarding the quarry's extension plans.

Contact the Team

If you have any questions about the extension project please contact our Community Liaison Team.

We encourage you to subscribe to the community newsletter on the Gunlake website to receive the latest information and updates about the quarry.

What did the consultants find?

Many community submissions asked for a more thorough investigation into rail instead of road transport options.

Specialist consultants investigated 18 rail and private haul road options. Their studies demonstrate both rail and private haul are not viable options.

What next?

The information gathered by the consultants will be used for the Response to Submissions Report and submitted to the DPE for assessment. The DPE will then submit its report to the Planning Assessment Commission who will determine whether to approve or refuse the extension application. These documents will be made available on the DPE website: majorprojects.planning.nsw.gov.au

Gunlake will implement the following measures:

The management team at Gunlake has considered the consultants' reports and additional community feedback. In response, Gunlake MD, Ed O'Neil, is now committing to the following mitigation measures, if the extension application is granted:

- **widen** the shoulders on Bypass Rd (Ambrose Rd) approaching Brayton Rd
- **construct** an acceleration lane on Brayton Rd opposite the quarry entrance
- **upgrade** the intersections on Brayton Rd and the quarry access road
- **construct** an acceleration lane at the intersection at Red Hills Rd and the Hume Highway
- **reduce** the proposed number of maximum truck movements from 690 to 590 movements per day
- **undertake** general improvements including better line marking and increased signage
- **work** with Council to reduce the speed limit to 80km/h on the transport route, and
- **enclose** the primary crusher to reduce noise impacts.

Boral Marulan South Operations Newsletter

September 2016

Boral's Marulan South Operations are pleased to present our regular newsletter for the information of our valued neighbours and wider community.

New 'in pit' hours in...

Our request to modify the times we can conduct activities in the Peppertree Quarry pit was approved by the NSW Department of Planning and Environment during the past month.

Under the approval, the quarry is now permitted to carry out 'in pit' operations between **5am** and **11pm** each day. These activities mainly include the operation of the quarry's crushing plant.

The approval also permits us to establish a new overburden emplacement in the south of the quarry lands.

As the quarry generally operates on a 24-hour, seven day basis anyway, we do not expect our neighbours and the wider community to experience anything different from the site.

However, we have spent most of September operating 'in pit' only until our original approval's 7pm finish time. We will look to extend this to 11pm as we move into the coming months.

The approval has been a vital gain for the site given the significant contribution it is currently making to public infrastructure works all around the region and wider NSW.

If any of our neighbours have any questions or feedback to offer us on the new arrangements, we'd like to hear from them as soon as possible.

A change for growth

For the past two years, we've been keeping you updated about our plans for the next stage of our 145-year-old Limestone site's life. These plans have undergone a recent change.

Marulan South Limestone provides the key ingredient for production of Boral Cement in NSW. Our business supplies around 60 percent of all cement consumed across the state.

With the Government's program of public infrastructure generating significant need for cement, we've reviewed our original approach to obtaining the approval needed to carry the operations forward for the next 30 years.

While our proposal is largely the same, there are two main changes we're planning to make:

- We'll seek a production limit of **four** million tonnes per year, instead of 3.5 million; and
- We need to make a minor change to the mine's western edge due to the discovery of more limestone resource.

While the studies conducted to date will be largely unaffected by these changes, we'll ask the Department to clarify any further work to be done before a final application can be lodged.

Further detail about these changes has been placed on the Marulan South Operations website. We will also continue to keep the community updated ahead of each step of this detailed and lengthy process.

Like to know more? Call us on **02 4841 1701 (Quarry)** or **02 4820 3003 (Limestone)**. Or visit www.boral.com.au/marulan. For environmental matters (quarry), please call **4841 1701**.

SNAKES are ABOUT!

There have already been a number of snake-sightings in Marulan and surrounding areas this year.

As we are heading into the warmer Spring and Summer months, there are lots of snakes emerging from hibernation in the Marulan and surrounding areas including Brown Snakes, Red-bellied Black Snakes, Tiger Snakes and Death Adders.

Signs to be aware of if you think your pet has been bitten:

- Vomiting after the bite followed by a period of clinical improvement
- Increased size of the pupil
- Trembling +/- incoordination of legs, weakness, initially in the hind legs, progressing to whole body paralysis
- Difficulty breathing, excessive salivation/drooling
- Blue/grey or brick red gum colour
- Blood in the urine

What should I do if I think my dog has been bitten?

- Be certain that you keep yourself safe! DO NOT put yourself at risk in trying to identify the snake – if it is safe a photograph of the snake would be helpful for the veterinarian
- Remember that a snake can still bite you once it has been killed!
- Try to keep patient immobilised & quiet-try to carry, don't allow to walk
- Try to keep the patient cool using wet towels
- Get your pet to the clinic as quickly as you can, so they can be assessed, administered the snake anti-venom and treated appropriately
- The sooner your pet is treated, the better their chance of survival.

Some other points to remember:

- Dogs & cats are most often bitten around the head & limbs especially the forelimbs
- The type and severity of your pet's symptoms will depend on the type of snake, the amount of venom injected and the site of the snake bite.
- The puncture wound from the fangs may not always be visible

Please do not hesitate to contact us if you have any questions at all regarding snake bites and your pets.

DON'T FORGET THAT TICKS ARE ALSO WORSE IN THE SPRING AND SUMMER MONTHS. WE STOCK BRAVECTO AND NEXGARD AT COMPETITIVE PRICES

Give us a call if you have any concerns regarding tick prevention.

The Travelling Gourmet

Well all good things must come to an end as they say and I know the avid readers who are devotees of hamburgers, like me, are in constant search for that perfect taste sensation that burns into your memory bank as a pleasurable, sensuous experience, will be disappointed that the search has to have an end.

We have scoured the region and have graded the towns and villages we have visited. Marks have been awarded but, if the truth be known, the perfect burger is as elusive as is finding a Yeti or Big Foot.

One person's judgement like a sighting of Big Foot is a personal thing. So if you have found your perfect burger, or seen a Yeti, be at peace with that knowledge.

So where to now? If not writing about burgers, what next? After long and soul searching deliberation I have decided to treat myself to a holiday; the once-in-a-lifetime grand tour. You reach a stage in life when you convince yourself: "I deserve this".

The trip will take me to Singapore then driving through Malaysia, Malacca, Kuala Lumpur, Cameron Highlands and Penang, across the top of Malaysia, on the Thai border to Kota Bharu, and down the east coast.

So rather than holding a slide night on my return, each month I will try and bring you the sights and tastes of Singapore and Malaysia. At each stop, we'll taste the local food and pick a favourite; trying to give you a sense of its flavour and the atmosphere that it was eaten in.

After convincing myself that I deserve this, it was easy to talk myself into trying to do it first class all the way. It's sort of spending the kids' inheritance mentally and factually. Maybe the children should be put through a slide night when I return; it's only fair to point out how their "legacy" has been disposed of.

So next month, my article will try and take you to the smells, taste and atmosphere of Singapore. Bon voyage!

The Travelling Gourmet.

Buy Local

The Marulan Region Chamber of Commerce Inc. encourages people to support local businesses. We have a great village with great services and terrific local businesses with more yet to come. You'll find the prices at our local businesses are comparable to those in the big towns and cities. Not only that, you'll also be helping sustain our local economy. To find out more about our *Buy Local initiative*, visit the Chamber's website at marulanchamber.org.au
